

GOLF*HAWK*

Course guides are history...

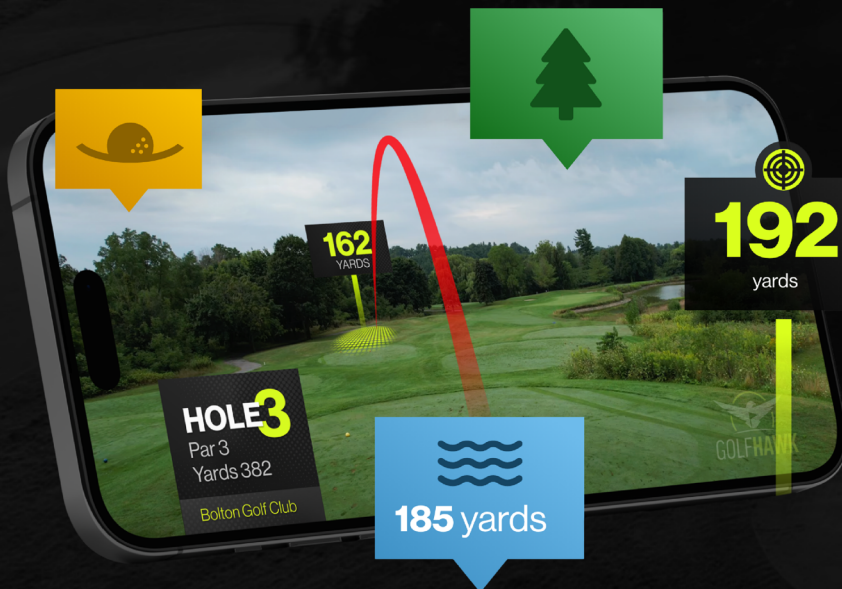

THE FUTURE IS GOLF HAWK

What Is GolfHawk?

AERIAL VIDEOS WITH REAL INSIGHT.

GolfHawk offers unbeatable on-course insight through both the eyes of a player and a hawk.

Showing the optimum approach to each hole with all hazards and distances, GolfHawk will help you to unlock your course's maximum visitor potential and drive additional revenue into your club.

YOUR VISITORS DESERVE BETTER

Give your visitors the best experience of your course and they will come back for more.

NO MORE...

Frustrating
blind shots!

Surprises on
the course!

**Out of date course
guides** that are hard
to understand!

Confusion on
where to target!

THE ULTIMATE SHOT SAVER

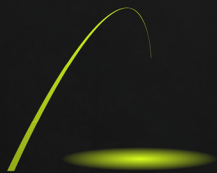

Each hole's video includes:

Ideal Target
215 yards

The **ideal target** from the eyes of the golfer.

The **optimum tee shot** distance and location.

Out of bounds

All **hazards** throughout the hole.

121 yards

211 yards

Distances from the tee to **key obstacles**.

Green **undulations**.

HOW DOES IT WORK?

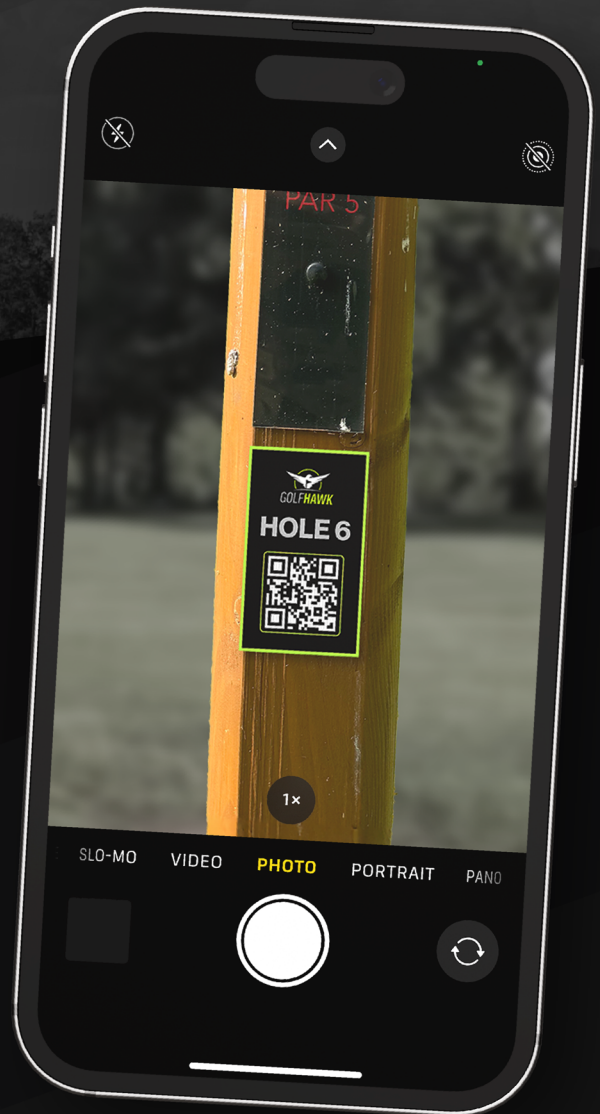

1.

The player scans the QR code on the tee box.

2.

They get instant access to the video overview.

It's that simple.

SCAN. SEE. TEE. **REPEAT**

DIFFERENTIATE YOUR CLUB

Do you want to **drive more visitors to your course?**

Are you looking to **add additional revenue into the club and pro shop?**
